### HOW TO PLACE AN ORDER

1. Enter contact person, shipping, billing and payment information.
2. To order INDIVIDUAL allergens, enter the number of allergens to order in the "qty" column or fill in the quick form at end of order form.  
To order a COMPLETE series, category or grouping, enter the number of allergens to order in the "qty" column in the top gray row.
3. To place your order, save the completed form and email it to [enquiries@bio-diagnostics.co.uk](mailto:enquiries@bio-diagnostics.co.uk) or fax it to 01684 592501.

SERIES: the allergens are listed as recommended by the designated research groups.

GROUPINGS: the allergens are grouped by occupational or exposure source with preselected concentrations based on recommendations from international research groups and comprehensive literature review.

CATEGORIES: the allergens are all listed by product type (may contain multiple concentrations of a single allergen).
